

Assisted Living Resident Management

ADDRESSING THE NEEDS OF RESIDENTIAL CARE PROVIDERS AT LOW COST

RMS is a secure web software solution designed to enable caregivers focus on providing quality care that their residents deserve by reducing the amount of time spent in documentation.

“

RMS improves efficiency, eliminates documentation errors and enables compliance”. ”

RMS offers a consistent easy to use process that prevents redundant data entry and automates flow of information between departments. "RMS" is packaged into modules to meet the needs of your Facility. It offers the flexibility to choose individual modules or a complete solution to meet your needs.
